

the good life

Obsession You may be too old for pillow fights, but thanks to Fill-a-Pillow, a new Haverford Station design-your-own throw-pillow service, you can now have pillow *debates*: Should you go with a chic leather-and-camo combo (top, \$210), or a funky swirl-on-velvet mix (\$120)? The possibilities are endless, but owner Monica Miraglilo will help you create the perfect piece. Finally: throw-pillows worth drooling over—not on (403 Berkley Road, Haverford Station; 610-649-5040; fillapillow.com).
